Dear Mr. Steele:

Your notice to conduct mining related operations on mining claims, UMC serial numbers, 321860 and 321861 located in NWNE, Sec. 5, T. 12 S., R. 6 W., SLBM was received on January 14, 1993, and has been accepted by this office. Your notice has been assigned case file number U-070636. Please use this number in any future correspondence concerning this notice. Your previous notice for mining related operations, serial number UT-054-92-14N-A has been administratively closed and combined into this notice.

If you change your operation from what is described in your notice, please contact this office prior to the change. If your operations extend for more than one year, please advise this office of the status of your mining related activity on the anniversary date of your notice.

Enclosed is a copy of the Standard Operating Procedures required by the Richfield District, House Range Resource Area. Please follow these guidelines as they pertain to your operation.

All mining claimants and operators that plan to use, store or divert water are required by Utah statute to notify the Utah Department of Environmental Quality, Division of Water Quality. Prior to the commencement of the proposed activity (such as your milling), all appropriate state water quality permits must be obtained from the Utah Department of Environmental Quality, Division of Water Quality, located at:

1636 West North Temple
Salt Lake City, Utah 84116-3156

As required by 43 CFR 3809, Surface Management Regulations, reasonable measures must be taken to prevent unnecessary or undue degradation of public lands during your operations. Please notify this office upon completion of operations and reclamation, so an inspection may be conducted on the site. Reclamation under this notice is required to conform to the standards of the Utah Mined Land Reclamation Act.

DIVISION OF
OIL GAS & MINING

Acceptance of your notice will not now, nor in the future, serve as a determination of the validity nor ownership of any mining claim included under your notice.

In your phone conversation with Christina Reid on January 15, 1993, you anticipated starting operations in March. Prior to the commencement of your operations she would like to meet with you on site to review reclamation practices and initiate a reclamation plan. If you have any questions regarding this letter, please feel free to contact Christina at (801) 743-6811. Thank you for submitting your notice.

Sincerely,
